Professional Goals

To have a growth oriented and challenging career, where I can contribute to my knowledge and skills to the organisation and enhance my experience through continuous learning and teamwork.

Project

Design and Analysis of Electric Motorcycle Chassis

A Motorbike chassis has been designed and validated. The validated design was subjected to static structural and transient structural analysis with the help of an analysis software. We have accomplished this with the help of an analysis software, Ansys.

Academic History

Bachelor Of Technology

Sree Chitra Thirunal College of Engineering,
Thiruvananthapuram
Mechanical Engineering
2018-2022
7.65

Higher Secondary

St.Thomas Central School
2018
86%

High School

St.Thomas Central School
2016
9.6

Activites

Hybrid and electric vehicles- 1 month internship conducted by verzeo

Implant training at Hyundai plant, Chennai.
